Dear Mr Jaffe,
4467 '99 JUN 11 P2:51

O.K.

I understand that in the U.S.A. there is currently a petition to ban the forced moulting of laying hens (docket 98P-0203/cP) and I am writing to support this.

I am surprised and shocked that this cruel practice, in which hens are deprived of food and water for two weeks or more, is still legal in an otherwise civilised country. Forced moulting has been banned in Britain on cruelty grounds since 1987.

I strongly urge you to support a ban on the forced moulting of laying hens.

Yours sincerely,

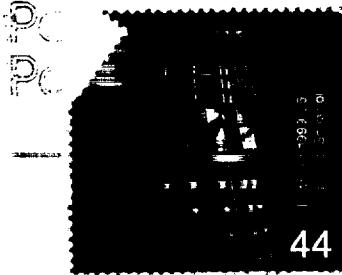

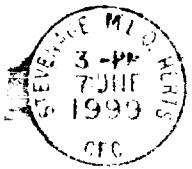

98P-0203
